

Hotel Collaboration Email Template

Subject: Influencer's Collaboration Proposal

Dear Mr. / Mrs. [Name of the Recipient],

I am [Your Name], a travel enthusiast that owns a YouTube channel by the name of [mention your YouTube Channel Name]. I love to travel across the globe and film all my travel experiences on my YouTube channel with a family of more than [mention Number of Subscribers].

I was planning my next tour to [mention Destination]. I was searching for hotels and came across yours. I saw the pictures and reviews on the internet and I must say your services look quite amazing. The rooms, furniture, views, and everything else look quite fascinating. Moreover, the online reviews further clarify that you are providing quality services to your customers.

However, being new to the market, you are still limited to a potentially small audience. If you find it interesting, I would love to collaborate with your brand. If I get the quality services I am expecting, I will promote your hotel on my YouTube channel and my social media accounts, having a decent number of followers, during the whole stay. In return for my complimentary stay at your hotel, you would reach out to your target audience within no time resulting in the rapid growth of your business.

Here are the links to my YouTube channel and social media accounts:
