Subject: Become the Brand Ambassador for Glow Tech Pvt. Ltd.!

Dear Mr. / Mrs. [Name of the Recipient],

I am William Cutting, the Marketing Manager at Glow Tech Pvt. Ltd. I have been following you on Instagram for quite some time. I must admit that I truly admire your content and your work. I really like the way you present your reviews and your honest opinions about the latest tech gadgets and products.

I am writing this email to offer you to collaborate with our company. Review our company's products and become our brand ambassador as your audience will surely take a keen interest in them. I think it will be a great business opportunity for both of us. I know you must have a busy schedule to follow but it would be great if we meet in person and discuss the further aspects of this collaboration.

If you are interested in this offer, do let me know by replying to this email ASAP. Thanks a lot for your precious time!

Best Regards,
